To whom it may concern:

Mr. Albert Fosso, national from Cameroon has worked with the Horticultural Crops Group at the Food and Agriculture Organization of the United Nations in Rome, Italy from July 2004 to January 2005.

Mr. Fosso gained experience on the use and development of HORTIVAR, FAO's worldwide database on the performances of horticultural cultivars. He also became proficient in preparing simple extension material to promote good agriculture practices (IPP Card System) for adoption by the farmers. His contribution to these two programme areas has been substantial.

Mr. Fosso demonstrated his capacity to easily integrate a multidisciplinary team and to rapidly adapt to various working environments. Throughout his assignment he maintained excellent relations with colleagues and supervisors and demonstrated his commitment and dedication to the job. I was impressed by his professionalism and communication skills. I am confident that Mr. Albert Fosso will perform very well in his future assignments for which he may be selected.

  
6 January 2005

Baudoin Wilfried  
Senior Officer Horticultural Crops Group, FAO  
Plant Production and Protection Division
