

Judea Harvest Namibia in partnership with UPH Namibia (FSD Project) Invitation

Workshop on Entrepreneurship for Urban and Peri-Urban Horticulture with the emphasis on VegiTunnels

Venue: Judea Harvest Training facility at Elim in Okahandja

Date: 21-22 October 2011

Dear **Mrs Angula** and 2 extra delegates,

You are invited to attend a workshop as part of our training program as mentioned above.

Accommodation and meals will be provided. All you need to do is to get there.

Training schedule:

Friday 21 Oct 11

- 1) What is a VegiTunnel?
- 2) Micro Gardening
- 3) Planting Program
- 4) Pest Control
- 5) Good Agriculture Practice

Saturday 22 Oct 11

- 1) Installing and Repairing VegiTunnels
- 2) Planting and Re-planting VegiTunnels
- 3) The cost to run a VegiTunnel
- 4) Income from a VegiTunnel
- 5) Planning to Administer a VegiTunnel

Please note that are identified as a key person in the success of your program and that your attendance is important.

Yours Sincerely,

Albert Fosso (Consultant)
